

INNOWAYS PARTNER SUMMIT 2026

One Team, One Purpose

Preserve Patient Biocapital™

2 - 4 October 2026

DoubleTree by Hilton, Panjim, Goa

**TRAINING
PROGRAMME**

TIME	SESSION	SPEAKER
08:30 - 08:45	WELCOME COFFEE	
08:45 - 09:00	Welcome & Opening Address — setting the tone for the two days	Hozefa Attarwala
09:00 - 09:15	Purpose: Start With Why	Sobby Kurian
09:15 - 09:25	A Medical Textile Company in an Orthopaedic World — the Xiros story, the mission of saving biological capital, and the message to your surgeons	Dr Bahaa Seedhom
09:25 - 09:35	The Long Search — a brief history of synthetics: why orthopaedics has always wanted an artificial graft, why earlier attempts failed, and where synthetics stand today	Dr Bahaa Seedhom
09:35 - 09:45	The Material and How It Is Made — the importance of the open weave structure, and why tissue growing into it is the single biggest reason synthetics succeed	Dr Bahaa Seedhom
09:45 - 09:55	The Science behind Tissue Ingrowth — Nature, Device and Surgeon: the trio that makes synthetics work	Dr Bahaa Seedhom
09:55 - 10:10	Every Graft We Don't Harvest — why synthetic is the future of sports medicine, and why I started without any long-term data	Dr IPS Oberoi
10:10 - 10:25	The Xiros Portfolio — every implant, every application, and which one to recommend for which procedure	Alex Mathews
10:25 - 10:40	Credibility: Make the Why Believable	Sobby Kurian
10:40 - 10:55	COFFEE BREAK	
10:55 - 11:10	How to Position Jewel ACL to a Surgeon — what a surgeon wants to hear: tissue ingrowth, MRI and clinical results (interactive)	Dr Vikram Mhaskar
11:10 - 11:30	Surgical Technique — Jewel ACL: tunnel position, tunnel size and fixation, and the additional implants required (surgeon perspective)	Dr Vikram Mhaskar
11:30 - 11:40	Surgical Technique — Jewel ACL: tips and pearls from the inventor	Dr Bahaa Seedhom
11:40 - 11:50	When Things Go Wrong — Jewel ACL: failure, removal and revision	Dr IPS Oberoi
11:50 - 12:00	Answering the Competition — the surgeon's view on LARS and other synthetics	Dr Vikram Mhaskar
12:00 - 12:45	Ask Anything — Panel Forum: Jewel ACL. Pre-submitted questions first, then open floor. Science and indications, answering a surgeon who challenges you, insurance and positioning, rehabilitation and complications.	Panel: Bahaa, IPS, Vikram, George Moderator : Alex Mathews

TIME	SESSION	SPEAKER
12:45 - 13:30	LUNCH	
13:30 - 13:40	Jimmy George 2.0	Sobby Kurian
13:40 - 13:50	Extra-Articular MCL and MPFL — the rationale, which indications to promote, to whom, and how to promote	Dr George Jacob
13:50 - 14:00	Surgical Technique — MCL and MPFL Reconstruction, implants required	Dr George Jacob
14:00 - 14:10	Surgical Technique — MPFL Reconstruction: a second perspective	Dr George Jacob
14:10 - 14:30	Listening and Curiosity	Sobby Kurian
14:30 - 15:00	Ask Anything — Panel Forum: MCL and MPFL. Pre-submitted questions first, then open floor.	Panel: Bahaa, IPS, Vikram, George Moderator : Alex Mathews
15:00 - 15:10	Summarisation Exercise (Quiz) — scored by table teams	Sobby Kurian
15:10 - 15:25	HIGH TEA	
15:25 - 15:35	Fire up your brains	Sobby Kurian
15:35 - 15:50	Surgical Technique — Achilles Tendon Repair: selecting the right tape (Poly-Tape 10 mm)	Dr Vikram Mhaskar
15:50 - 16:05	Extensor Mechanism Injuries — where these cases are, who treats them, how they are managed today, and how to promote	Dr George Jacob
16:05 - 16:20	Surgical Technique — Patellar and Quadriceps Tendon Rupture: repair and augmentation	Dr George Jacob
16:20 - 16:50	Ask Anything — Panel Forum: Extensor Mechanism and Achilles Tendon. Pre-submitted questions first, then open floor.	Panel: Bahaa, IPS, Vikram, George Moderator : Alex Mathews
16:50 - 17:50	OWNERS' MEETING — Partner principals only. Separate agenda: plans, marketing activities, business concerns, market problems, joint goals and commitments.	Innoways Leadership
20:00 onwards	GALA DINNER — RECOGNITION AWARDS	

TIME	SESSION	SPEAKER
09:15 - 09:30	REPORTING & COFFEE	
09:30 - 09:40	Moving Radio Active waste	Sobby Kurian
09:40 - 09:55	Why Pitch-Patch — product features and strength, what a biological patch cannot achieve, and the points that matter most	Dr Bahaa Seedhom
09:55 - 10:05	Positioning Pitch-Patch — which indications to promote, and how to position it to a surgeon	Dr IPS Oberoi
10:05 - 10:20	Surgical Technique — Pitch-Patch: tips and pearls	Dr IPS Oberoi
10:20 - 10:35	Surgical Technique — ACJ Reconstruction: technique, key product features and the Infinity-Lock system	Dr Bahaa Seedhom
10:35 - 10:45	Elbow Stabilisation with Xiros	Dr George Jacob
10:45 - 11:15	Ask Anything — Panel Forum: Pitch-Patch, ACJ and Elbow. Pre-submitted questions first, then open floor.	Panel: Bahaa, IPS, George Moderator : Alex Mathews
11:15 - 11:25	Summarisation Exercise (Quiz) — scored by table teams	Sobby Kurian
11:25 - 11:40	COFFEE BREAK	
11:40 - 11:50	Bringing it all Together	Sobby Kurian
11:50 - 12:50	Beyond the Named Procedures — Xiros grafts as a soft-tissue approximation solution across wider indications. Open session: answering the competition, holding your ground, and anything else the floor wishes to raise	Open Panel: Innoways Leadership, Bahaa, Vikram, George, IPS, Alex Host : Mustafa Attarwala
12:50 - 13:20	Song in My Heart	Sobby Kurian
13:20 - 13:30	Closing Remarks & Felicitation	Hozefa Attarwala
13:30 onwards	SUNDAY BRUNCH & CHECK OUT	

**Timings are indicative. The summit is designed as an interactive meeting throughout — questions are welcome in every session.*
